What is Australian Energy Week?

Australian Energy Week has established itself as the leading conference and exhibition for the entire energy value chain, bringing together leaders from generators, transmission & distribution, retailers, renewables & BESS developers, government and large energy users.

If you want to get across what's happening in Australia's energy sector, or meet those shaping it, then this is the place to be.

If you are limited to only one energy conference in a year - Australian Energy Week is the one!

Jon Pemberton, Director of Operations, Empower Energy

Great networking with Industry leaders.

Peter Asimakidis, Enterprise Client Executive - Energy & Utilities, Microsoft (past attendee)

You are not going to find a better place to meet with people right across the industry.

Tim Nelson, Chair, National Electricity Market (NEM) Review (past speaker)

Why partner with us?

Over 4 days (2 day expo), Energy Week brings together the who's who of the industry. The conference agenda features the most forward thinking executives from across the energy value chain, and the expo is full of genuine buyers, not tyre kickers.

If you want to position your business as a preferred partner for the energy sector, then Energy Week is for you.

Only event that covers the full energy value chain

If you want to meet with leaders from Renewable & BESS developers, generators, networks, retailers, government and large users in one place, this is it!

Conference streams on the expo floor

In 2026, conference stream rooms will be built on the exhibition floor, meaning attendees will spend more time near your booth.

Most senior audience of any energy event

Energy Week attracts more senior decision makers than anyone else. Ask our sales team for an anonymised attendee list to prove it.

Expanded digital marketing campaign

Our marketing campaign reaches over 30,000 unique people each year. Get involved early and benefit from months of exposure.

Incredible networking functions

Join us at the Event Dinner, the Women in Energy Breakfast or the Networking drinks to engage with energy executives in a more relaxed environment.

Consistently excellent feedback

There is a reason that so many of our sponsors come back each year - this event delivers real ROI.

The major event that brings the entire industry together.

Andrew Bills, CEO, CS Energy

Energy Week 2025 in numbers

Breakdown by seniority

Breakdown by industry sector

The only place to be to connect with Australian leaders in energy.

Jill Caine, Consultant, Erne Energy

Every major energy company attends - here are just a few...

Heart of collaboration and innovation in the energy transition.

Dane Matthews, Business Support Officer – Sustainability, Essential Energy (past attendee)

Informative and an opportunity to be exposed to new technology.

Tess Beagley, Key Account Manager, Jemena (past attendee)

Networking Partners

Gala dinner - \$20K

2 Available

Be the name behind the night everyone remembers. As the Gala Dinner sponsor, your brand will be integrated across the evening's proceedings - from welcome remarks to branded menus, signage, and table settings. This is the premier networking moment of the event, offering you the chance to host VIP guests, make a speech or short video welcome, and associate your brand with celebration, status and connection.

Networking drinks - \$20K

Own the informal connection time that builds real relationships. As the sponsor of the end-of-day drinks, your brand will be front and centre as attendees relax and network. Includes branded signage, custom cocktail napkins or coasters, and the chance to offer a brief welcome toast or thematic drink linked to your brand.

Private invite only event - POA

Curate influence with high-value decision-makers. As sponsor of an exclusive closed-door session - like a VIP breakfast, boardroom briefing or C-level roundtable - you'll shape the guest list, discussion theme, and experience. Ideal for building relationships with energy retailer executives in a focused, controlled setting, away from the conference floor. Includes facilitation support and pre/post-event exposure.

Women in energy breakfast - \$29K

Support diversity while aligning with leadership and impact. As sponsor of the Women in Energy Breakfast, you'll connect with a cross-section of emerging and senior female leaders in energy. Your branding will feature on all promotional material, signage, and on-site during the breakfast, with the option to provide a welcome, introduce the panel, or host a curated table of your own.

 Australian Energy Week is the premier energy conference in Australia, bringing together the industry's finest minds to discuss the challenges facing the sector.

Jonathan Myrtle, Head of Market Modelling, AEMO

Brand activation opportunities

Networking lounge - \$20K

Position your brand at the heart of all networking activity. This high-traffic, relaxed space is where retail leaders gather between sessions. Sponsoring the lounge gives you signage throughout, branded furnishings, and the opportunity to subtly integrate product messaging or thought leadership material.

Pillar Signage - POA

Pillar - Strategically placed, hard to miss exposure. Wrap your message around key venue pillars in the foyer or networking areas. Perfect for awareness campaigns, product messaging, or driving traffic to your stand.

Wifi - \$9K

Put your name on the one thing everyone asks for. As the WiFi sponsor, your brand will be featured on signage and the login screen. You'll also get a chance to customise the password, creating fun, memorable interactions.

* Prices excl. GST

Lanyard - \$20K

Be around every neck and in every photo. As the exclusive lanyard sponsor, your logo will feature on the official conference badge holders worn by all delegates, speakers and staff. It's constant, visible branding over two full days of interaction.

Overhead banner - POA

Be seen from anywhere on the floor. Suspended above the main conference or expo area, an overhead banner provides unmatched visibility for brand awareness or directional messaging.

APP - \$9K

In everyone's hand, all day. Your brand will be the first thing attendees see when opening the official event app. Includes splash screen branding, banners, push notification opportunities, and a sponsor profile.

Registration desk - \$20K

Own the first impression. As the registration desk sponsor, your branding will be front and centre as every attendee checks in. Includes signage, collateral placement, and the chance to provide branded welcome materials or giveaways. All branding will be co-branded with Energy Week

Charging station - \$12K

Power up attendees and your brand. Feature your company on a dedicated charging station where delegates plug in and stay connected. Branded screens and signage turn idle time into brand engagement.

Insight stage - \$15K

Host the hub of practical content. Sponsor the Insight Stage where solution-driven presentations and case studies are delivered. Includes naming rights, signage, the opportunity to chair or present, and prime alignment with innovation and leadership.

Floorplan

“ I like coming to Energy Week, because in a single area you get access to all the latest thinking from regulators, utilities and technology vendors.

Cara Graham, Part, Power and Utilities, EY (2024 sponsor)
